

## COMMUNITY PARTNER PROGRAM

Good Shepherd Center's Community Partner Program works in collaboration with Illinois Action for Children to provide training and support for Child Care Providers throughout all of south suburban Cook County. The service area encompasses 52 zip codes and touches the lives of thousands of children through their Child Care Providers. Trainings include everything from CPR/First Aid to working with children with medical and disability issues.

We can help Child Care Providers with specific technical assistance issues or offer support in navigating through the state based resources available. The Community Partner program is also available to offer assistance to individuals planning to open a Child Care program in either a center or home based setting. Each year, this office implements more than 200 trainings in English and Spanish. It serves 350 Day Care Centers and 11,000 Home Providers in the service area of south suburban Cook County.

Good Shepherd Center can provide support for Spanish speaking Child Care Workers through an on-staff, Bilingual Specialist.

## ABOUT US

Good Shepherd Center was founded in 1963 as a school for children with disabilities and their families. We were a pioneer in serving children at that time, as educational/therapy programs were rare for young children in their first critical five years of life.

Since that time, the agency has evolved into a multi-service agency now serving children and adults with and without disabilities as well as their families.

## EARLY INTERVENTION SERVICES

- Early Intervention Services include -
  - Physical Therapy
  - Occupational Therapy
  - Speech Therapy
  - Preschool/Playgroup Program
  - Developmental Therapy
  - Parent Support

## OTHER SERVICES PROVIDED

- FREE infant and toddler developmental screenings
- Resource Lending Library, including disabilities & Autism
- Community advocates & local voice on legislation that affects families and children in Illinois
- Resource center for parents, educators & physicians on disability issues
- Annual Bilingual Conference  
“Strong Children-Strong Communities”

## CHILDREN/ADULT WAIVER PROGRAM

This program provides support to eligible children & young adults with developmental disabilities who live at home. Goals include training and assistance needed to accomplish tasks that may include adaptive skills, activities of daily living, and skills essential to the health and welfare of the participant.

**For more information please call  
708-335-0020 x 26.**

## IN-HOME RESPITE CARE

Good Shepherd Center's In-Home Respite Care program provides short-term, intermittent care for persons with developmental disabilities in their natural, guardian, or foster family home.

Our trained professional respite staff offers care for individuals of any age with special needs and their siblings under the age of 18.

The objective of the program is to provide temporary relief for the primary caregiver, while maintaining the needs of the child in the family home. Since the Respite Care program is funded from the Department of Human Services,

there is no charge to qualified individuals and their families. To be eligible, individuals must reside in Southern Cook County or far northern Will County; and have a diagnosis of Autism, Cerebral Palsy, Epilepsy, or Mental Retardation.

For more information or to register for services:

***Please call the Respite Family Coordinator at  
708-335-0020 x 22.***

**Speakers Available** - Interested in a speaker for your next meeting? We are a wealth of information in your community. Call 708-335-0020 x 26.
